Company: _____ Name of your contact Person: _____

Address: _____

Area Code, City: _____

E-Mail: _____

Tel. No: _____ Fax No: _____

Our interest in Rohbi Tech Precision Circular Sawing Machines:

- General / more information (catalogues, specific brochures) _____
- Guiding offer _____
- Subcontracting cut-off _____
- Visit of your representative _____

Particular on work parts / components (type of material)

- Steel Stainless Aluminium Brass Copper Plastics
- Solid Tubes Profiles exact description: _____

Dimension: _____ mm

Cut-off length: _____ mm

Length tolerance: _____ mm

Bar length: _____ m

Production Volume:

Required cycle time: _____ sec

Output / hour: _____ pcs / h

Output / year: _____ pcs / yr

Shifts 1-shift 2-shift 3-shift

Hours/ Shift _____ h

Qty, Volum / lot _____ pcs

Degree of machines' automationWe need more information on add. processing automation yes no**General**Already Rohbi Tech customer: yes no

Type / modul of machine: _____

Year of manufacturing: _____
